Summary

- Skilled Junior Java Developer with 2+ years of experience in design, development, implementation and testing of client-server, web applications using Java/JEE technologies.
- Experience in SDLC (software development life cycle) including Requirement Analysis, Design, Coding, Testing, Maintenance with Waterfall Model and Agile methodology like SCRUM.
- Experience in design and development of web-based applications using Java, Spring boot, RESTful web services, spring Data JPA, hibernate and view-layer using thymeleaf, HTML, CSS.
- Experience in MVC software architecture design.
- Experience in Version Control Systems like GIT and SVN.
- Experience in Core Java technologies like Multithreading, Collections and Exception handling mechanisms.
- Experience in Relational databases (PostgreSQL and MySQL)
- Hands on experience with Linux (Ubuntu) and MacOS.
- Experience with using Apache Tomcat Server.
- Used Maven scripts for building and deploying applications.
- Experience in creating JUnit test cases.
- Debugging and troubleshooting skills.

Experience

 **Working Student as a Junior Java Developer**
community4you
Oct 2018 - Present (2 years +)

 **Software Intern**
community4you
Feb 2017 - Aug 2017 (7 months)
Developing a spring boot web application including login, admin/ user role, trip edit, trip show, search functionalities using hibernate, CRUD, spring data JPA, Thymeleaf, HTML, CSS and PostgreSQL

 **Junior programmer intern**
LEPL Financial Analytical Service
Nov 2016 - Feb 2017 (4 months)
Work in a team on the project - eDocument

 **Student Assistant**
International Black Sea University
Jan 2016 - 2016 (1 year)

Education

Technische Universität Chemnitz

Master's degree, Web engineering

2018 - 2020

International Black Sea University

Bachelor's degree, Computer Science

2014 - 2018

University of Applied Sciences at Zwickau

Computer Science

2017 - 2017

Exchange semester

Rīgas Tehniskā universitāte (Riga Technical University)

Computer Science

2016 - 2016

Exchange semester

Licenses & Certifications

Java Tutorial Course - SoloLearn

#1068-2295603

Skills

Java • Spring Boot • Spring MVC • Hibernate • XML • css • Git • Software Development Life Cycle (SDLC) • Maven • SQL
